

OREGON GRADUATION OPTIONS

Each student demonstrates the knowledge and skills necessary to transition successfully to his or her next steps: advanced learning, work and citizenship. The Oregon Department of Education has high expectations for all kids, including students with disabilities, to reach their greatest potential. Every student who can possibly meet the requirements will be encouraged to graduate with an Oregon diploma.

	Oregon Diploma	Modified Diploma	Extended Diploma	Alternative Certificate
Effective Date	Class of 2012	July 1, 2009	July 1, 2009	July 1, 2009
Criteria	All Students who have demonstrated the ability to meet the full set of academic content standards.	Students who have demonstrated the <u>inability</u> to meet the full set of academic content standards even with reasonable accommodations but who fulfill all state requirements and all applicable local school district requirements as described in district school board policies or public charter school requirements as described in school policies: <ul style="list-style-type: none"> ▪ Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers inherent in the student; or ▪ A documented history of a medical condition that creates a barrier to achievement. 	Students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations: <ul style="list-style-type: none"> ▪ Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers; <u>or</u> ▪ Have a documented history of a medical condition that creates a barrier to achievement; <u>and</u> ▪ Participate in an alternate assessment beginning no later than grade six and lasting for two or more assessment cycles; <u>or</u> ▪ Have a serious illness or injury that occurs after grade eight, that changes the student's ability to participate in grade level activities and that results in the student participating in alternate assessments. 	A student who does not satisfy the requirements for a high school diploma, a modified diploma or an extended diploma. <ul style="list-style-type: none"> ▪ Student must meet requirements established by the board of the school district; OR ▪ Student must meet requirements established by the board of the public charter school and approved by the sponsor of the charter school.
